

MindSafety™

Key Messages X-Frame Banner

Banner size:

800mm wide
1800mm high

Increase MindSafety awareness with this valuable reminder during toolbox talks, safety briefs and induction sessions or around the workplace with this helpful resource which supports the promotion of the 'Key Messages'.

Constructed with fiberglass poles linked together with a cross base for added stability, the stylish X-Frame banner is lightweight, easy to transport and can be used both indoors & outdoors.

Comes complete with nylon carry bag.

PRICES

SINGLE BANNER - £59.95 per banner & frame set
